

**CITIZEN COMMENTS ON MARTIN MARIETTA MINE
PROPOSAL TO BE HEARD ON JUNE 4, 2009 AND JUNE 17, 2009**

Village officials continue to attend Anderson Township Board of Zoning Appeals (ATBZA) hearings regarding a request for a conditional use permit and related variances required to allow Martin Marietta Materials, Inc. to operate a deep limestone mine in the vicinity of Round Bottom Road and Broadwell Road in Anderson Township. The hearings, which have been continuing since August 2008, are now expected to continue until sometime in July of this year.

The next meeting is scheduled for June 4, 2009. This meeting will offer the first opportunity for opponent testimony from interested citizens. Any concerned Indian Hill residents are encouraged to attend this meeting which will be held at 6:30 p.m. in the Turpin High School Auditorium located at the 2650 Bartels Road in Anderson Township. Any persons wishing to testify will need to sign-in at the hearing and individual testimony will be limited to 2 minutes. A second citizen comment hearing has been tentatively set for 5:30 p.m. June 17, 2009 at the Anderson Center, 7850 Five Mile Road.

Village officials and our legal counsel will continue to attend the hearings and express our concerns about noise, truck traffic, light pollution, and dust pollution. We will also continue to advise residents about the status of the case and any related Village actions in direct mailings to south Indian Hill neighborhoods, future Bulletin articles, and on the Village webpage: www.ihill.org.

Any questions about the current status of the case may be directed to the City Manager's office, 561-6500.
